

## Scottsdale Joins Phoenix to Host Green Building Expo

City of Phoenix

# GREEN BUILDING EXPO

OCTOBER 3&4, 2003  
PHOENIX CITY HALL ATRIUM  
200 WEST WASHINGTON STREET, PHOENIX, ARIZONA

*Admission is Free*

**GREEN BUILDING EXPO 2003** will focus on educating building professionals and raising public awareness of energy efficient, economically sound, healthy, and environmentally responsible alternatives to mainstream building practices. It will feature and demonstrate the on-going efforts of local designers, builders and product suppliers. Green Building Expo will be the venue to see and hear about the environmental building trends that are changing the future of building.

### FRIDAY OCTOBER 3

11:00 AM TO 8:30 PM

#### PROGRAM FOR BUILDING PROFESSIONALS

##### 11 AM - Exhibits open for Building Professionals

- Design professionals, builders, and city officials will have one-on-one access to over 50 exhibitors showcasing a variety of alternative building products, systems and services

##### 5:30 - 6:30 PM - Exhibitor Reception for building professionals

##### 7 PM - Keynote Lecture

- Keynote speaker Steve Badanes, co-founder of Jersey Devil, a widely recognized firm known for its energy efficient designs and innovative use of materials

### SATURDAY OCTOBER 4

9 AM TO 5 PM

#### PROGRAM FOR GENERAL PUBLIC

- Over 50 exhibitors showcasing a variety of environmental building products and services including energy/resource efficient, renewable, healthy and recycled resources
- Presentations on renewable energy, resource efficiency, rainwater harvesting, water conservation, landscaping, indoor environmental quality, alternative building materials, energy efficiency strategies, and other environmental building topics
- Green book store with author signings, food court and family entertainment,
- Downtown desert landscape walking tours

Parking is available on both days in the 305 Parking Garage at the southwest corner of 3rd Avenue and Washington.
